

Prospect Hunter in Connect

Jennifer M - 2023-12-21 - Finding Distributors

Connect Prospect Hunter enables you to explore potential distributor clients who meet your specific criteria as well as have the option to download those results in a printable marketing list. Please note that a list can only be downloaded once and if you would like to reuse a list, you must perform a new search and purchase it from Prospect Hunter.

To access Prospect Hunter, go to the Advanced Search.

If your search returned more than 2000 records, only the first 2000 will be displayed. Purchasing the Prospect Hunter will give you the ability to download all of your results in a marketing list (while still only able to view the first 2000 results). Contact ASI for more information. To help pin-point the company that you are looking for, slim your search by adding additional criteria like City, State or Executive.

After placing your order, you will see a green bar confirming your purchase. The transaction details as well as your specified search criteria will be displayed. Scroll down on this page to view the payment information and the Download List button. When you click the Download List button, you will be prompted to open or save the list onto your computer. The list will be saved and available for access and re-download for 90 days from the date of purchase.

To access downloaded lists, click the Settings tab in the main navigation bar and then click on the Download Manager link.

Downloaded lists are displayed according to the date they were downloaded, with the most recent shown first.

You are able to sort the lists in the Download Manager by clicking on the heading. You can sort in an ascending or descending alphanumeric order by:

- Transaction ID
- Date of Download
- User (Who downloaded the file)

Clicking the Transaction ID link opens each download's List Details. As with the initial download, the list can be downloaded again by clicking the Download List button.
